

Elite Series™

Five Star Float
★★★★★

Cork Handles

**Won't Slip or Stick
For Just the Right Grip**

Moisture-wicking cork properties help prevent the handle sticking or slipping in the finisher's hands, providing a secure and comfortable grip for the professional.

- Features an ergonomic, fatigue reducing design
- The unique (Patent Pending) cork design is available only on our Elite Series™ Five Star Finishing Trowels and new Mag Hand Floats
- Other handle styles available on all Elite Series™ trowels - ProForm® soft grip, Leather, and Laminated Hardwood
