

NOTICE OF JOB VACANCY

KRAFT TOOL CO., INC. IS SEEKING AN INFORMATION SYSTEMS MANAGER.

JOB DUTIES: Assume overall responsibility for maintenance and development of corporate network, and maintenance of corporate website. Add and upgrade servers to Windows 2003. Upgrade network backbone to Gigabit and network architecture to address needs for greater data bandwidth. Implement backup strategies for local/remote backup of important data. Develop SQL Server objects to streamline accounting and inventory operations. Develop web-based application for programming/SQL code repository and managing IT inventory. Design analytical software to help predict buying trends. Create dynamic reports using Visual Basic scripting for MS Office applications. Maintain virtualization servers to save cost of hardware and operational costs. Operate Microsoft Exchange Server. Continue to improve current network topology to reduce latency and redundancy: Consolidate server data from several servers into new high capacity, high efficiency servers; implement secure wireless network for increasing number of wifi capable devices; upgrade network architecture to address need for greater data bandwidth; implement and/or maintain a reliable disaster recovery system that can be used in various disaster scenarios; and perform feasibility analyses for a variety of new corporate wide IT projects. Document current network infrastructure, configuration of clients and servers, and backup/restore strategies. Develop and maintain software integration with line-of-business accounting, manufacturing, and warehouse systems: Query backend data sources for custom reports built to requirements; and conduct system administrator tasks related to accounting software maintenance, including backups, security, applying vendor updates, and performing month-end and year-end checklists. Perform needs based assessment for upgrading client and server operating systems and software to latest versions.

MIN. REQUIREMENTS: Master's in IT Management, Computer Science (or closely related field), plus 2 years of work exp. in the offered position, or as Webmaster or closely related position.

SALARY:

TO APPLY: Please submit your Resume to the Human Resources Department; Kraft Tool Co., Inc.; 8325 Hedgelane Terrace; Shawnee, KS 66227.
