

Elite Series XtremeFLEX™

Made in the USA

NEW

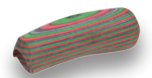

Cork
(Patent Pending)

ProForm®

Leather

Laminated
Hardwood

- New Kraft design makes the XtremeFLEX™ lightweight with just the right balance
- Highly flexible blade reduces arm and wrist stress
- Top blade support plate provides a balance of rigidity on this ultra light blade
- Rivetless stainless steel troweling surface features a machined edge for a superior finish
- A great choice for plaster and concrete decor, when flexibility and a light touch is key
- Choose from four handle designs

	<u>ProForm® Handle</u>	<u>Wood Handle</u>	<u>Leather Handle</u>	<u>Cork Handle</u>
